At the March meeting, fundraisers for next year will be discussed. Innisbrook did not generate as much income as expected so we will be looking for a replacement. There was some discussion about replacing the Italian/American Festival with another event.

Ideas are needed for teacher appreciation week (May 3 – 7).

Included are the fundraising report and financial statement.

Next meeting is Wednesday, March 10, 2010, 7:00 p.m., teachers' workroom.
